COPD / Long Term Conditions Joint Working Quality Improvement Project in Ards GP Federation

The Ards Federation and AstraZeneca are engaged in a joint working programme called COPD/ Long Term Conditions Quality Improvement Project in Ards GP Federation

This project will run between November 2022 & February 2023 and both parties have contributed resources for this initiative.

The Joint Working Project aims to improve the outcomes for patients suffering with long term conditions. There will be a key focus on COPD patient reviews and new diagnosis of COPD patients as well as active case finding and risk stratification of multimorbid patients.
