

Executive summary of Joint Working Outputs

Published on [Working with the NHS \(astrazeneca.co.uk\)](https://www.astrazeneca.co.uk)

<b>Project title</b>	MERIDIAN HEALTH GROUP NEL PCN EQIP
<b>Duration</b>	September 2025 – November 2025
<b>Project partners</b>	MERIDIAN HEALTH GROUP NEL PCN and AstraZeneca UK Limited
<b>What was the issue to be addressed?</b>	<ol style="list-style-type: none"><li>1. Support HCPs with their understanding of NG28 guidelines and effective treatment for people living with type 2 diabetes mellitus.</li><li>2. Identify at risk patients aligned to NG28 guidelines through the implementation of a clinical search.</li><li>3. Provide capacity support, in partnership with the NHS, to review high risk patients.</li><li>4. Embed high quality type 2 diabetes care through implementation of a NG28 clinical template.</li><li>5. Provide a framework for evidence capture and CQC audit readiness.</li></ol>
<b>What were the results?</b>	The output from this project was 245 patients were triaged for review, and 233 patients were seen in consultation clinics over 12 weeks. 83 patients were optimised onto NG28 guidance.
