

**A DECLARATION OF JOINT WORKING
BETWEEN
ROYAL FREE LONDON NHS FOUNDATION TRUST
AND
ASTRAZENECA UK LTD**

Royal Free London NHS Foundation Trust and AstraZeneca UK Ltd are engaged in a Joint Working Project entitled “ RF-AZ HF Project”.

The aims and objectives of this project are:

- Improve the quality of care delivered to Heart Failure patients under the care of the Royal Free London NHS Foundation Trust in line with NICE guidance and local protocols.
- To improve pathways across primary and secondary care for the management of patients with Heart Failure.
- To expand the current specialist Heart Failure service MDT approach for HF patients across both primary and secondary care. This will be delivered by a combination of Heart Failure Specialist Nurses and HF Consultants, with support from Diabetology and Nephrology where necessary

The project will run from July 2021 to July 2022. Both parties have contributed resources to the initiative.
